

Gun Violence Prevention Challenge Summit & Hack-a-thon

April 13 – 15, 2018 | Boston, Massachusetts

Mary Sebert, RN, MPH is the International Nurse Program Manager of Massachusetts General Hospital Global Health. Previously, Ms. Sebert worked in Mbarara, Uganda as a Global Health Service Partnership volunteer, a partnership program between Seed Global Health and the United States Peace Corps. In Uganda, she worked at Mbarara University of Science and Technology as an instructor in the nursing program. She also served as a mentor in leadership for the nursing faculty.

Additionally, she served as a Peace Corps volunteer in Romania where she worked in the development of Non-Governmental Organizations, specifically those with health issues. Ms. Sebert is a registered nurse with more than 30 years of clinical education and managerial experience. She holds a Bachelor of Science degree in Nursing from South Dakota State University and a Master of Public Health degree with a concentration in Health Administration from the University of Oklahoma.
