

## Gun Violence Prevention Challenge Summit & Hack-a-thon

April 13 – 15, 2018 | Boston, Massachusetts

Jody Marchand has lived in Westford, MA for over 30 years. She is a co-founder of the Live for Liv Foundation. The organization was founded by Jody and her family in memory of her daughter, Olivia, whose death was due to domestic and gun violence. She has shared her story at several high schools across Massachusetts and New Hampshire. Her message has been presented to police academy cadets, domestic violence awareness groups and at various rallies.

Jody and the Live for Liv Foundation's mission is to raise awareness and offer help and support to victims of abuse and violence. The foundation wants these people to know they are not alone. As well, they can direct those in need towards available resources to help transition to a healthy environment.
